EXPERIENCES

Erasmus

- Tomas Bata University | Zlín, Czech Republic
Sep 2023 - Jan 2024

Enriching Erasmus experience, where I experienced different cultures and developed communication and adaptation skills in an international context. During this period, I also enhanced my knowledge in Computer Science by developing an application in C# with Windows Forms, completing various tasks in QGIS, and delivering a presentation on Biometrics.

Young Talent Programme

- PRIMAVERA Business Software Solutions | Braga
Jul 2022 - Aug 2022

Participation in the "Young Talent Program" at PRIMAVERA BSS, where I completed a two-month hybrid internship. During this period, I worked on developing web components using Angular as part of a project proposed by my mentor, contributing to my learning and personal development.
